TWICE THE EXPERIENCE

No one should be the victim of a hidden disability – especially when we have a solution

Dyslexia Action is a national charity and the UK's leading provider of services and support for people with dyslexia and literacy difficulties. We specialise in assessments, teaching and training. We also develop and distribute teaching and learning materials.

Contact your local Dyslexia Action centre today for • Free professional advice and information • Assessments by chartered psychologists • Specialist tuition in literacy, study skills and maths for all ages • Teacher training courses • Specialist teaching and learning materials.

Dyslexia Action is a national charity that improves lives through education.
