ST JAMES

St James Senior Boys Site Visit to the new School, Ashford

NOVEMBER 28th 1.30 pm to 4.30 pm

In September 2010, St James Senior Boys School, one of the top Boys Secondary Schools in the country, is moving into the former St David's School in Ashford, Surrey.

Much renovation is underway to improve facilities, create a state-of-art Sixth Form Centre, extensive library, new dining hall and modern laboratory complex, turn 30 acres of grounds into rugby pitches and cricket squares for 320 boys and much more.

The Headmaster and Senior Staff would like to invite all interested parties, including prospective parents, from Ashford and the local area, to visit the site. The renovations programme and plans for future developments will be explained and you will have the opportunity to ask questions.

A three-form Yr 7 entry will be available from September 2010, along with places in Yr 9 and the Sixth Form.

Come and visit a top school in the making... literally!
