Dear Sirs

Spelthorne Development Plan - Allocations Development Plan Document 28-44  
Feltham Road, Ashford

Thank you for your letter. I am in favour of a housing development on this site, it is a much more suitable use for the space than the current industrial one.

I would like to be notified of the recommendations of the inspector appointed to carry out the independent examination of the DPDs or of their adoption, also of future developments.

I am owner of 3A Oakfield road, the property is let and my contact address is the one at the top of the page.

Yours faithfully

Judith Halford
