Did you raise the matter that is the subject of your representation with the LPA earlier in the process of the preparation of the DPD, ie before it was submitted for examination?

The annex and the guidance notes have more information on the tests of soundness

http://www.spelthorne.gov.uk/env_ldf_annex

Do you consider the DPD is:

Unsound (if you consider the DPD should be changed)

If you consider the DPD is **unsound**, please identify which test of soundness your representation relates to (having regard to test numbers 1-9 listed in the Annex). **Please note you should complete a separate form for each test you consider the development plan fails.**

Soundness test no. (see Annex)

7

Please give details of what change(s) you consider necessary to make the DPD sound, having regard to the test you have identified above. You will need to say why this change will make the DPD sound. Please be as precise as possible.

NO CHANGE COULD MAKE THE DPD SOUND IN REGARD TO ALLOCATION 8. THE USE OF THE ENVIRONMENT AGENCY FORDBRIDGE SITE FOR HOUSING OR INDEED ANY DEVELOPMENT CONTRAVENES THE ENVIRONMENT AGENCY STATED POLICY THAT FLOOD PLAINS SHOULD BE RESTORED TO THEIR NATURAL LEVELS. THE NEED FOR THIS WAS GRAPHICALLY ILLUSTRATED DURING THE MONTH OF JULY 2007 WHEN THE LACK OF FLOOD PLAIN CAUSED DEVESTATION. THIS ARTIFICIALLY RAISED SITE POSES A REAL THREAT TO THE FRAGILE SURROUNDING ENVIRONMENT.

Can your representation seeking a change be considered by written representations or do you consider it necessary to participate at the oral part of the examination (if you select this option you will need to explain why)?

Written representations
