Did you raise the matter that is the subject of your representation with the LPA earlier in the process of the preparation of the DPD, ie before it was submitted for examination?

If 'No', can you briefly explain why you did not do so:

Only recently instructed by our client to monitor the local development framework documents in Spelthorne.

**The annex and the guidance notes have more information on the tests of soundness**

**[http://www.spelthorne.gov.uk/env\\_idf\\_annex](http://www.spelthorne.gov.uk/env_idf_annex)**

Do you consider the DPD is:

Sound (if you support the DPD)

To which part of the DPD does your presentation relate?

Policy

Please give details of what change(s) you consider necessary to make the DPD sound, having regard to the test you have identified above. You will need to say why this change will make the DPD sound. Please be as precise as possible.

Policy TC5 of the Core Strategies and Policies DPD should not preclude appropriate expansion and modernisation of existing retail facilities at out-of-centre locations within the Borough, subjects to tests outlined in PPS6.

Can your representation seeking a change be considered by written representations or do you consider it necessary to participate at the oral part of the examination (if you select this option you will need to explain why)?
