Did you raise the matter that is the subject of your representation with the LPA earlier in the process of the preparation of the DPD, ie before it was submitted for examination?

Yes (at preferred options stage)

The annex and the guidance notes have more information on the tests of soundness

[http://www.spelthorne.gov.uk/env\\_idf\\_annex](http://www.spelthorne.gov.uk/env_idf_annex)

Do you consider the DPD is:

Unsound (if you consider the DPD should be changed)

If you consider the DPD is **unsound**, please identify which test of soundness your representation relates to (having regard to test numbers 1-9 listed in the Annex). **Please note you should complete a separate form for each test you consider the development plan fails.**

Soundness test no. (see Annex)

7

Please give details of what change(s) you consider necessary to make the DPD sound, having regard to the test you have identified above. You will need to say why this change will make the DPD sound. Please be as precise as possible.

POLICY EM1 EMPLOYMENT DEVELOPMENT

EM1 Para a) should include the existing employment area at Littleton Lane, Shepperton. This industrial area is long established and provides employment opportunities within a variety of small industrial units.

Can your representation seeking a change be considered by written representations or do you consider it necessary to participate at the oral part of the examination (if you select this option you will need to explain why)?

Participate at the oral examination

If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

This site is important to Brett . The grounds for Spelthorne Borough Council ommitting it from the policy, together with our explanation why it should be included, should be debated under EIP conditions

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination
