SURREY CRICKET COACHING COURSES

Many of the current playing and coaching staff of Surrey County Cricket Club started their cricketing careers by attending one of our Junior Coaching Courses.

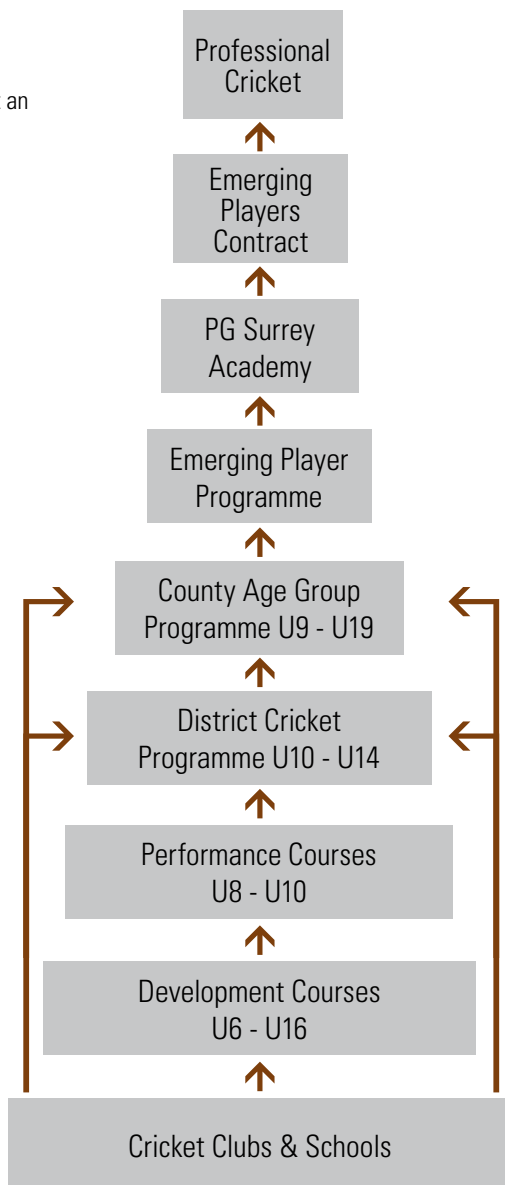

Children between U6 and U16 years of age, of all abilities and experience, will find a suitable course at an appropriate time of year.

AIMS OF THE COURSES

- To find the next generation of cricketers to represent Surrey County Cricket Club, through the player pathway which is illustrated in more detail at surreycricket.com by following the links to Surrey Cricket and then Academy and Performance
- To enable as many children as possible to have the opportunity to play cricket and develop their natural talent, develop an understanding and life long love for the game
- To provide children age U6 - U16 the chance to develop their skills regardless of ability or experience

The Coaches delivering these courses are all qualified and experienced in relaying information to children in an informative but enjoyable way. Several current and Ex-Surrey County players will coach on some of the courses. Please see the aim of each course for more information about the course program.
