SURREY
COUNTY COUNCIL

Making Surrey a better place

We face major challenges on a scale not seen before

Many things will have to change in Surrey as a result of the recession, environmental concerns and the growing issue of how we will care for one another as we get older.

We want to know what you think, whatever your question, whatever your view.

Make sure you have your say

Come to our public question time event, hosted by **BBC Surrey's 'Drive Time' presenter, Mark Carter.**

Quiz the panellists from Surrey County Council, Surrey Police Authority, NHS Surrey, district and borough councils, the business and voluntary sectors.
