

# Improvements at Hawke Park in Sunbury

Spelthorne Borough Council is continuing to develop the plans for improvements at Hawke Park in Sunbury.

We have been working with Surrey County Council to create a more detailed landscaping plan and they are considering the introduction of a safety feature where the footway / cycleway crosses The Avenue in Sunbury.

We have also worked to address your comments from previous consultations on the footway/cycleway in the plans.

We would like to hear your views particularly on the landscaping proposals.

**Where: The Embroidery Gallery,  
Thames Street, Sunbury**

**When: 12-16 January 2010**

Representatives from Spelthorne Borough Council will be available to discuss the landscaping proposals and answer queries from 10.30am – 1.30pm on Saturday 16 January 2010.

**Please come along and give us your views**
