FOCUS ON

PERFORMANCE 4 ALL

Spelthorne Borough Council is bringing professional Performances to a number of community venues in the Borough to encourage residents and visitors to engage in cultural experiences. Going to the theatre can help to develop social skills, community interaction and widen cultural knowledge. By staging these professional events in community venues we are maximizing the Borough's resources as well as offering top class shows for a fraction of a London ticket - and they are right on our doorsteps! Performances are focused on family theatre and in the last year we have booked professional companies such as Ensemble, Oxfordshire Touring Theatre Company and Farnham Maltings Touring.

If you would like to receive information on up and coming performances please contact **Faye Munns** in **Leisure Services** on **01784 446433** or at **f.munns@spelthorne.gov.uk**

Together we can keep the theatre alive...

FOCUS ON

YOUTH OPPORTUNITIES FUND

Money is available for young people to create new or support an existing project or activity in the area. The Youth Opportunities Fund is aimed at giving young people the freedom of spending money where they believe it is needed. The Spelthorne Youth Council meet once a month to review the applications and to decide where the funds are spent. Spelthorne has received £85,000 and priority will be given to first time applicants. The youth council would like as many youth led projects to benefit from the funds this year and would welcome any new bids. For further information please contact **Andy Holdaway**, Borough Youth Officer on **01784 446214** or e-mail **a.holdaway@spelthorne.gov.uk**
