How we collect and use information

Spelthorne Council collects information for Housing Benefit and Council Tax Support purposes, but it may be used for any of the Council's purposes. We may check information that you provide, or that a third party provides about you, with other information we hold. We may also get information about you from certain third parties, or give information to them to check the accuracy of information, to prevent or detect crime, or to protect public funds in other ways as permitted by law. These third parties include government departments and local authorities and if applicable, the information will be shared with the pension service. We will not disclose information about you to anyone outside the Council unless the law permits us to. The Council is registered under the Data Protection Act 1998 for these purposes and is the Data Controller. If you want to know more about what information we have about you, or the way we use this information, please write to the Council's Data Protection Officer.

Notes

Please read these important notes before you fill in the form. They will help you to give us the right information, so that we can pay your benefit/support quickly. There are notes for each section, followed by some general information.

A. You and your partner

'Partner' means someone of the same or opposite sex that you live with as a couple; you may be married or in a civil partnership or living together as if you were husband and wife or as if you were civil partners.

'Your Nationality' - you **must** answer these questions, otherwise we cannot pay you benefit/support. If you have not lived in the UK for the whole of the last two years, or if there are doubts about your immigration status, we may send you another form to complete. Don't forget, for new claims you **must** give us proof of identity and National Insurance Number for yourself, and also for your partner if you have one. On the 'checklist', there is a full list of the type of documents we can accept as proof. If you don't have enough documents, please ring us and let us know. We can arrange an interview with you. The telephone number is: 01784 446374.

B. Children who live with you

This section is **only** to be used for children who are living with you, and that you get Child Benefit for. This would usually be your own children who are still at school, or in further education and under 20yrs. Adult children, or children who are in higher education (eg university), who still live with you should be included in Section C. Foster children should be included in Section C.

C. Other people who live with you

These people are often referred to in Benefits as 'non-dependants'. A non-dependant is someone who lives with you, but who does not pay any rent in the property. They may have an informal arrangement to give you an agreed sum for their keep. People in this group may include: grown-up children; parents; other relatives or friends. A non-dependant is different from a boarder or a sub-tenant or a joint tenant.

A '**boarder**' is someone who lives with you and who has an agreement with you to pay for their accommodation. Part of what they pay will be for meals which are eaten on your premises.

A '**sub-tenant**' is someone who pays you for accommodation, but whose rent does not cover any meals.

A '**joint-tenant**' is someone (not necessarily your partner) who is jointly responsible with you for paying the rent at the property you live in.

D. Earnings

If you cannot provide proof of your earnings, as detailed at the end of the section, we may have to write to your employer to ask them to complete a Certificate of Earnings. If you have just started work and do not have any payslips, you can ask your employer to send us a letter telling us when you started work, what you will be paid, and how many hours you will work. You can send us your payslips as you get them. If you do send them in separately from your claim form, please ensure that your name, address and National Insurance Number are clearly marked.

E. Self-employed earnings

Where possible, you should send us properly prepared accounts. If you have not been self-employed for very long, or if for some reason you cannot provide accurate and complete accounts, we may have to send you another form to fill in. You can save time by ringing us and asking for this now, if you know that you will need it. If you would like an appointment to discuss your claim, please ring 01784 446374 and explain that you are self-employed when booking the appointment.

F. Students

Most students cannot qualify for help, but the rules are quite complex and there are many exceptions. The following groups of students can claim: those getting Income Support; those on part-time courses; those over 60yrs; lone parents; those who have a disability premium or who have been classed as unfit for work for over 28 weeks. This is not a full list of students who can claim. If you are not sure if you are eligible, please ring us, or send in the completed form for assessment.

G. Other income

You should use this section to list all other income you may receive. You must complete every box, writing 'none' where you do not receive a named benefit or pension or allowance.

Don't forget to tell us about any changes in your income eg when your Jobseekers Allowance is due to end or you stop getting Child Benefit for one of your children.

H. Cash, savings and investments

So that we can assess your claim accurately, you need to tell us about all your capital which is held either here or abroad. 'Capital' means bank accounts, building society accounts, deposit accounts with other organisations (eg Post Office or insurance companies), cash, National Savings Certificates, Premium Bonds, shares, stocks, unit trusts, PEPs, ISAs and TESSAs. Also any land or property which you own, apart from where you are living. We will also need to know if you have money in a trust fund. This is not meant to be a complete list - please telephone us if you have a query. If your total capital exceeds £16,000, you cannot claim Housing Benefit or Council Tax Support unless you or your partner are receiving Guarantee Credit.

I. Your Tenancy

'Landlord's Agent' is someone employed by the landlord. It can be an individual or a company, and they can be responsible for just collecting the rent from you, or they may provide your tenancy agreement as well, and be your contact point for any problems you may have. If you have a formal tenancy agreement, the details of both landlord and agent should be on the agreement. If you have lived in your property for a long time, you may have a Registered Rent. If so, please send us the documents that you will have been given by the Rent Service, and any letters from your landlord if he is planning to increase the rent.

Notes

J. Your home

Private sector tenants entitled to benefit in Spelthorne after 7 April 2008 will receive Local Housing Allowance. The amount we use to calculate your benefit will depend on the number of people in your household and their ages. Please check our website at: www.spelthorne.gov.uk/benefits to see how the size criteria is calculated. You can also ring us on 01784 446374 or call into our public service counter for details. Some accommodation types are exempt from this new scheme, ie Council and Housing Association tenants, Hostels, houseboats, caravans, site pitches, accommodation where a substantial part of the rent covers board and attendance (such as Hotels) and pre 1989 tenancies.

K. Your rent

Your landlord should have made it clear to you whether or not any services are included within your rent, and you should give as much detail here as you can. If you cannot give us exact figures, we will have to make standard deductions which are laid down by central government, or we may have to contact your landlord. We only need this information if you are a tenant of a Housing Association, have a registered rent or are exempt from Local Housing Allowance (see paragraph J). If in doubt it is best to complete the information.

L. Payment

For new claims, Housing Benefit is usually paid from the Monday after we receive your form. If you are also a new tenant, we can pay from the start date of your tenancy, but only if we receive your claim form by the Sunday after your tenancy starts. Housing Benefit for private tenants is normally paid fortnightly in arrears. If payment is made to your landlord, it will be four weekly in arrears. Council Tax Support is paid by a credit to your Council Tax Account.

Backdating (from 6 October 2008)

It may be possible to backdate your claim if you have a 'good cause' for not claiming on time. You will need to write to us separately if you think you should get backdated benefit. We can only backdate for up to three months from the date you apply for working age and pensioner claims.

Appeals

If you disagree with any decision that we make about your claim you have the right to appeal. You should put your appeal in writing, and send it to us as soon as you can, explaining why you think we have got it wrong - give as much detail as you can. If we do not uphold your appeal, you can appeal again in accordance with our appeals policy. Contact us if you require further information on the appeals process. Please note that there are strict time limits on appeals.

Second adult rebate

Even if your income or capital is too high for you to claim support yourself, you could still get Second Adult Rebate - to qualify, you must be the only person in your home responsible for paying Council Tax, and someone else must live with you who is not your partner **and** who is on

a low income **and** who does not pay rent to you. If you want to claim Second Adult Rebate, you only need to complete Sections A and C, provide proofs and sign the declaration.

Changes of circumstance

We use the information you have given us on this form to assess your claim for benefit. You **must** tell us in writing about anything that changes and provide original proof of this change. At the back of this form is a list of some of the changes that you need to tell us about. Periodically we may send you a review form to complete, to check to see if your circumstances have changed. Please return this form with details of your income and any changes, or tell us if your circumstances have not changed. If you delay telling us about a change in your circumstances, we may pay you too much benefit, or you could be missing out on additional benefit.

Visits

We may visit you at home. This is to make sure that your circumstances have not changed, and that you are still getting the right amount of benefit. All of our Visiting Officers carry photo identity cards. Please make sure that you ask to see this before you let anyone into your home.

Why do we need original documents?

The documents that we require to support your claim are recommended by the Department for Work and Pensions (DWP). Providing these proofs helps us to make sure you receive the benefits that you are entitled to and that they are calculated accurately. You can check the types of documents that we can accept against the list at the back of this form.

Why do we need so much detail?

Do not be put off by the length of the form. We are sorry to ask so many questions, but we do need you to answer in full, so that we can be sure to assess your claim correctly. For example, if you receive an allowance for a disability, it could mean that you can get more help. Childcare costs, paid to a registered childminder while you are working, may also result in more help for you - but only if you tell us about them. If you are having difficulty filling in the form or sending us proofs and need some help, please ring us on 01784 446374. We can probably help you over the phone or you can visit our counter.

Don't delay

You will see reminders around the form that you must send us original proofs, not photocopies, and that we cannot process your claim until we have seen **all** of the documents. We understand that it is not always easy to get them to us straight away, so even if you haven't got everything, send us the form. If you don't you could lose benefit/support.

Method of payment:

Council Tax:

Any support due will be credited onto your Council Tax account.

Private tenants:

All payments will be made directly into a bank account. If you need advice to open an account, please see our leaflet or contact the Citizens Advice Bureau. These payments are normally made two weeks in arrears to the tenants (or four weeks in arrears to the landlord in exceptional circumstances only).

You can have payments made to you or your landlord if you prefer. You will need to complete tear off number 3.

Private tenants that moved into a property or claimed Housing Benefit on or after 7 April 2008.

Your benefit will be paid directly to you unless you think this may cause you difficulty or you are eight weeks or more in arrears with your rent. Please contact the benefits service for a landlord direct form that must be accompanied with evidence to support your reasons for payment direct. This normally would be from a medical practitioner or social worker or in the case of arrears we will require proof from the landlord.

Changes you must tell us about

We will assess your claim using the information you have given to us. You **MUST** tell us straight away if there are any changes to your circumstances. Here are some examples of changes you must report:

- you stop receiving Income Support or Jobseeker's Allowance
- your Working Tax Credit or Child Tax Credit changes
- you move (even if you only move to a different room or flat within the same property)
- a child leaves school or leaves home
- you have a baby
- your child starts to be cared for, or stops being cared for, by a registered childminder, or nursery or playgroup
- someone moves into or out of your home (including boarders or sub-tenants)
- your income, or the income of anyone living with you, goes up or down
- you or anyone living with you becomes a student, or takes up a Government Training Scheme
- you or anyone living with you goes into hospital or a nursing home, or goes into prison (even if this is on remand)
- you or anyone living with you gets a job, or changes their job or becomes unemployed
- you or anyone living with you takes a second job
- you return to work after a period of illness where you have been receiving benefit/support
- you or anyone living with you has a change in capital or savings (this does not apply to people receiving Income Support, Jobseekers Allowance (Income Based) or Pension Credit (Guarantee Credit) - you should notify the DWP)
- your rent changes
- you and/or your partner will be away from home for two weeks or more. Where possible, tell us about this **before** you go
- you receive a decision from the Home Office
- someone starts to receive Carer's Allowance for looking after you
- if you change the bank account that we are paying your Housing Benefit into
- **ANYTHING AT ALL** which is different from what you have told us on this claim form

You must tell us about these changes in writing or a phone call. Do not rely on anyone else to give us the information, or pass a message on, not even the Job Centre, Pensions Service or Revenues and Customs.

If you don't tell us about the changes, you may lose money you are entitled to, or we may pay you too much benefit/support which we can ask you to repay.

If you're not sure about whether or not you need to tell us about a change, ring us on 01784 446374 to check or write to us with the details.

Further information:

Please use the space on the back page to tell about anything else you think we need to know, to help us deal with your claim.

Backdating

We can usually award benefit from the Monday after the day we receive your claim. Sometimes we can pay benefit/support from an earlier date if you have a 'good cause' for not claiming earlier. If you want us to consider paying your claim from an earlier date, tell us when you want your claim assessed from and why you did not claim earlier.

Date you want to claim benefit/support from:

For this period, were your circumstances the same as on this form? Yes No

Tell us why you have not claimed before. **You should provide evidence to support this statement:**

Declaration

Please read the declaration very carefully before you sign and date it. If you have a partner, he or she must sign it as well. If you do not sign it we will have to send the form back to you and this will delay your claim. Where the declaration says 'I' or 'me' or 'my' this refers to both the claimant and his/her partner.

Spelthorne Council can prosecute you if you give false information, or if you provide false or altered documents with your claim, or if you withhold information (including a change in your circumstances).

- This is my claim for Housing Benefit, or Council Tax Support, or both.
- I will tell you if any of the details on any letter you send me are incorrect.
- The information I have given is true and complete.
- You can check any information on this form. This includes sending a Certificate of Earnings direct to my employer if necessary.
- I am not claiming Housing Benefit or Council Tax Support for any other address.
- I understand that you may contact government departments (for example the Department of Work and Pensions or the Home Office) or other Local Authority offices to check the information I have given on the form and to get other information.
- I understand that if I do not provide a National Insurance Number, my claim will not normally be dealt with.
- I will write to you straight away if there are any changes in my circumstances, so that you can work out my claim again. If I do not, and I get too much benefit or discount, Spelthorne Council can ask me to pay it back, and may prosecute me.

Under the Data Protection Act 1998 we need your permission to discuss anything else.

If you give us permission by signing this form, we will only share information with your landlord if:

We will not give your landlord any information about:

- **your personal or household circumstances, or**
- **your financial circumstances**

You can withdraw your permission at any time.

It will not affect your claim if you do not give us permission to discuss your claim with your landlord.
