Dear Residents,

Welcome to the summer edition of our Borough Bulletin. I hope that you will find the time to come along to some of the summer events that are featured. See pages 10 and 11 for the "Dates for your Diary".

It's been a busy few months of elections and I would like to thank all those who turned out to vote and also to thank all the people who worked through the night to count and verify the results.

I would like to congratulate Spelthorne Borough Councillors Sinead Mooney, Naz Islam and Alison Griffiths on their election and Tim Evans on re-election as Surrey County Councillors. I know they will diligently serve and represent the interests of the residents of Spelthorne at Surrey County Council. I would also like to welcome a new councillor to the Borough Council, Alex Sapunovas, who joins the Council to represent the Ashford East Ward.

Cllr Ian Harvey, Leader with His Excellency High Commissioner of Mauritius Mr Girish Nunkoo

We also had some prestigious visitors from our twin district of Grand Port, Mauritius. Grand Port Chairman Nirmal Domah and Chief Executive Shyam Teeluck spent three days in the Borough which included a very successful civic symposium held in the Council Offices, and we were also very honoured to welcome His Excellency Girish Nunkoo, High Commissioner of Mauritius to Spelthorne for half a day.

I have a reputation for getting things done, so when residents raised their concerns about the street light switch off being rolled out in Spelthorne, I contacted Surrey County Council Leader, Cllr David Hodge. I was delighted when he agreed in principle for street lights in Spelthorne to be switched back on as long as the County, who has responsibility for street lighting, were reimbursed the cost. The County Council has now voted to allow boroughs to pay for street lights to be switched back on and I am pleased to report this has now happened in Spelthorne.

Budget pressures will continue to present challenges for Spelthorne and our colleagues at Surrey County Council over the coming months but please be assured that we will always work hard to protect the services you value most.

Finally, I would like to pay tribute to Spelthorne's Chief Executive, Roberto Tambini, who is retiring in September after 37 years in local government, the last 11 years in Spelthorne. He has been very generous with his support, wisdom and friendship during my time in office and those of you who have met him will know that he is a man of enormous charm and integrity. He will be a hard act to follow. We wish him and his wife, Anne, a long and happy retirement.

Have a great summer.

Cllr Ian Harvey, Council Leader.

Message from the Mayor

When I was elected in May as Mayor of Spelthorne I said that I wanted to involve and celebrate the talents of people across all ages and interests by supporting local events and meeting as many residents as possible.

Photo: Cllr Vivienne Leighton. Credit: Mike Farenden

Since becoming Mayor I have been invited to a variety of events. New to Spelthorne were the appointment of a Mayor's Cadet by Staines and Egham Sea Cadets at their Royal Naval Parade, and a Spelthorne and Runnymede Joint Volunteer Awards evening, a wonderful celebration of all those who make life better by helping others. Surrey Youth Games gave 4,500 young people training in their choice of fifteen sports, ending in a weekend competition in which Team Spelthorne came third in the County. I joined the Lord Lieutenant of Surrey to open Shepperton Village Fair, awarding prizes for the Fancy Dress Parade and judging the Raft Race. It was great fun.

Photo: Cllr Vivienne Leighton on the Gloriana. Credit: Cllr Ian Harvey, Leader

The River Thames has been very significant in my life and important for Spelthorne with its nine-mile stretch and I planned to celebrate this. My first mayoral and charity event was therefore a River Day on Saturday 24 June. Having arranged the Borough's Magna Carta flotilla in 2015 I was delighted to secure the honour of being permitted

to use Gloriana, the prestigious rowbarge built for the Queen's Diamond Jubilee. The flotilla also included Impossible Dream, adapted for wheelchairs – one of my charities – and Jolly Brit, former tender to the Royal Yacht Britannia, as well as a variety of boats from local skiff and rowing clubs. The crowds at the locks and along the towpath made this an unforgettable event.

Thanks to the support of the businesses in Staines-upon-Thames, we were able to keep Gloriana for Staines-upon-Thames Day on Sunday 25 June, a main attraction not only when moored at Memorial Gardens but also for row-pasts in the afternoon.

Vivienne Leighton

Cllr Vivienne Leighton, Mayor of Spelthorne.

📞 Contact the Mayor's office by email mayer@spelthorne.gov.uk or call **01784 446275**.

Former Mayor of Spelthorne, Cllr Alfred Friday, would like to thank everyone who helped his fund raising last year. With residents' support, a total of **£24,149.20** was raised for local good causes.

Hassle free letting for landlords

Spelthorne Rent Assure is a scheme available for private landlords who are interested in renting their property through the Council. The scheme is one of the most attractive currently on offer for landlords.

Under the scheme, the Council guarantees to pay landlords directly the full market rent for their property for up to two years. A free inventory check will be carried out at the beginning of the tenancy and there is the reassurance of a six-week repair bond. The Council will find the tenants and, when approved by the landlord, will draw up the agreements free of charge. Ongoing support for both the landlord and the tenant is available for the duration of the tenancy.

Gareth Lewis from Sunbury-on-Thames has been a local landlord for 22 years and was one of the first to join the scheme. Gareth said: "Sian and her daughter are a pleasure to have as tenants. For me the Spelthorne Rent Assure scheme has been a real success and I've been very reassured by the support offered by the Council's Housing Options team."

Spelthorne Council is looking for more private landlords like Gareth so please get in touch if you are interested in working with the Council.

📧 For more details on the scheme please email sra@spelthorne.gov.uk, call **01784 448611** or visit www.spelthorne.gov.uk/sra

Recycling changes: new 3 in 1 service

On 12 June we launched our 3 in 1 service collecting your unwanted textiles and small electricals **weekly** at the same time as your food waste. Look out for our new vehicles driving around the Borough.

Textiles in any condition that are clean and dry will be collected (rips are fine but nothing soiled please). You can include accessories (scarves, gloves, hats, belts and bags), bed linen (eg sheets, duvet covers), clothes, curtains, towels, paired shoes/boots and slippers. All items should be bagged.

80% of the textiles collected are reused and those that cannot be reused are recycled into items like insulation. Reusing and recycling saves the Council (and taxpayers) money.

Please do not include carpets, rugs, duvets, pillows, single shoes or soiled materials.

Small electricals need to fit in a standard carrier bag eg toasters, kettles, irons, hairdryers, clocks, phones, cameras (no large items or batteries please). They are broken down into their various components and recycled.

Please do not mix textiles and electricals in the same bag. Tie bags securely and put next to your food waste bin **by 6am** on your collection day. Remember that food waste, textiles and electricals are collected on the same day as your rubbish/recycling, but at a different time of day.

If you need a **food waste** caddy or clear plastic bags for textiles and small electricals you can collect these for free from the Council Offices or Community Centres. If your property does not currently have food waste collections and you would like us to introduce the service, please contact us.

📍 To check your collection day visit www.spelthorne.gov.uk and type your postcode into 'My Spelthorne'. For more information about all our kerbside collections, visit www.spelthorne.gov.uk/kerbsidecollections

Art competition

Well done to Sia Singh, age 7 from Riverbridge Primary School, for winning the art competition. Her picture highlights how long it can take for waste to decompose if it is not recycled. She will shortly be awarded a prize and certificate. Special mention also goes to Aarya Thombre, Alicia Rogerson and Anik Inder Singh who received a runner-up prize and certificate.

Thank you to everyone who took part.

Surrey County Council consultation: recycling centres changes

Record numbers at Staines 10K

Deputy Mayor Cllr Leighton (now Mayor) got runners underway at this year's Staines 10K on Sunday 14 May.

The race, organised by Staines Strollers and Runnymede Runners with support from Spelthorne Borough Council, saw 633 runners completing the course – a record number. The winner, Stuart MacDougall finished in a time of 35 minutes and 24 seconds and the fastest woman was Jaydee Peters who completed the course in 39 minutes and 17 seconds, 18th overall.

The event was made possible thanks to a team of dedicated volunteers and the support of the race sponsors. All proceeds from the event will be donated to local charities.

i For further details visit www.staines10k.co.uk

Get
active
50+ for longer,
healthier,
happier lives

Get Active 50+ helps adults aged 50 and over to become more active. There are a wide variety of sports on offer including swimming, badminton, bowls, cage cricket, dance/yoga/pilates, jogging, touch tennis, table tennis, walking football and walking netball.

Carol Coleman took part in the Get Active 50+ swimming sessions:

"Due to a bad experience at primary school I've never been able to put my face in the water when swimming. I could get by and do lengths but if my face got wet I just panicked. I saw a post on the Council's Twitter feed about keeping fit at 50+ and thought that it was about time I tried to conquer my fear. The course was for eight weeks, and affordable at £3 a week.

The swimming teacher was very friendly and non-judgemental, she got into the water and held my hands to get me to put my face in the pool and suggested that I get some goggles and a nose clip. This really helped and on week three of the course I was able to get my face in the water, and by week eight I was swimming underwater, jumping in, retrieving items from the bottom of the pool and swimming using the correct strokes.

I now feel fitter and my clothes have started to fit better. My goal is to take up rowing or sailing in the future, things that I wouldn't have been able to do before."

New support services in Spelthorne

Age UK Surrey

Making sure our residents get the best service at the right price, Spelthorne Council is pleased to announce that two well-established organisations have started work in the Borough.

From a new base within the Council offices at Knowle Green, Age UK Surrey is delivering a number of services which complement and add to our own frontline services to residents.

Age UK Surrey has been commissioned to provide a free Information and Advice service for older people, their families and carers across the Borough.

In addition - and new to Spelthorne - a free befriending service offers support for people with specific goals in mind. Paid-for home-based services including Help At Home, handyperson and gardening are also now all under the same roof at Knowle Green.

Information and Advice Service

Covering a wide range of issues including: benefit entitlements, housing, social care and residential care, as well as providing a gateway to other organisations if appropriate. For more details or to make an appointment call **01483 446627**, Monday – Friday, 9am-noon and 1-3pm.

Help at Home

This offers help and support in the home such as cleaning and light housework, shopping and errands. There's also a Gardening service and a Handyperson service to provide practical help with small jobs around the home, like putting up grab rails, fitting key safes or fixing a dripping tap. Charges apply. Call **01784 444200**.

Making Connections - Runnymede and Spelthorne

This free service provides volunteers who offer befriending and short-term mentoring support to achieve a specific goal and telephone/Skype support. Call **01784 444200**.

Voluntary Support North Surrey

Supporting Spelthorne's voluntary and community organisations is now being undertaken by Voluntary Support North Surrey (VSNS) – who moved into offices at Staines Library in the spring.

This gives them a base in the Borough where a dedicated Spelthorne team are:-

- promoting voluntary work
- supporting voluntary and community organisations
- being a voice for the voluntary sector
- identifying gaps in provision of services

An independent charity, they work with voluntary and community organisations, statutory agencies and the business community.

VSNS offers free membership and a range of services to local voluntary groups including funding advice, help with business planning, marketing, access to training and much more.

Voluntary Support North Surrey is a Council for Voluntary Services with integrated Volunteer Centres not only in Staines-upon-Thames but also in Chertsey and Camberley. It is funded by the Borough Councils, Surrey County Council and Clinical Commissioning Groups.

Cllr Tony Harman, Deputy Leader at Spelthorne Council, said: "A thriving voluntary sector depends on the support of an umbrella organisation such as VSNS – who we are pleased to welcome to the Borough to build capacity, offer guidance and improve performance. The volunteer centre plays a vital role in recruiting, placing and supporting the army of volunteers whose contribution to Spelthorne's charities and community groups cannot be overestimated."

VSNS Chief Executive Officer Solette Sheppardson, said: "We are delighted to be making a difference by helping voluntary organisations in Spelthorne. Our team is knowledgeable and their experience is already impacting charities and organisations in a positive way enabling a stronger third sector and ultimately improving lives locally. We send out weekly information on volunteering, funding, training available, networking opportunities and charity updates."

 To contact VSNS call **01784 465536**. Follow VSNS on Facebook and twitter.

Dementia-Friendly Shepperton

Visitors from the Borough's twin town in Mauritius stopped off at Shepperton Village Hall to help mark Dementia Awareness Week during a tour of the area on 16 May. The event featured stalls and displays by several organisations whose work is directly related to people who have dementia and their families, as well as a handful of others who can support and enrich their lives.

Shepperton is the first town in the Borough to pledge its commitment to become 'dementia-friendly'. This involves training for shop staff in how to help customers who might have dementia; better signage to make it easier to get around; social and support groups for patients and carers; practical measures to help make life less stressful.

Further events are planned across the Borough.

 To find out more please contact Community Connector Nigel Drury by email community.connector@spelthorne.gov.uk or call **01784 448587**.

The Spelthorne Business Plan Competition

The final of the Spelthorne Business Plan Competition was held on 25 May at BP's headquarters in Sunbury-on-Thames.

Six finalists pitched in a Dragons' Den style final for a prize of £3,500 and a year's package of business support to help them get their business started.

The standard of entry was extremely high and all finalists gave professional and entertaining presentations.

The winners were George Goodger and Adam Wright with their invention Cillguard, a unique product for wheelchair users which prevents their cars from being scratched when transferring in and out of cars. Kwasi Kwarteng MP and Roberto Tambini, Chief Executive at Spelthorne Borough Council, presented their prizes.

Second place and a prize of £1,500 went to Danielle Pauling, Clare Pauling and Amanda Hadley for a family business idea called Grave Angels. Third place and £500 was awarded to Kirsti McCabe for her web based business idea 'The Routine Edit.' The other finalists were also awarded £150.

Congratulations to everyone who took part.

Tackling the tippers

Spelthorne Council

Spelthorne's Enforcement Team tackle a range of problems linked to anti-social behaviour including fly-tipping, dog fouling, graffiti, littering and abandoned vehicles. In the last nine months the team has taken action on a large range of issues:

- prosecuted five instances of fly tipping resulting in fines, community service and suspended prison sentences for the offenders
- issued 20 community protection warnings (for persistent unreasonable behaviour)
- removed eight traveller incursions
- dealt with four prosecutions for persistent mooring offences

When fly-tipping appears it creates great concern for residents so Spelthorne Council is pleased to have recently obtained new powers to tackle fly-tipping and abandoned vehicles which allows staff to issue Fixed Penalty Fines of £400. The Enforcement Team has also been reminding residents that they can help tackle fly-tipping by checking the credentials of anyone offering to dispose of their waste. Responsible waste carriers will have a licence from the Environment Agency

Partnership Action Day

Staff from Surrey Police, Spelthorne Borough Council and Surrey County Council joined together for a 'Partnership Action Day' in Shepperton on Wednesday 17 May.

During the day a number of fly-tips were identified, an abandoned car was removed, four people were reported for vehicle offences and one owner had their car seized for having no insurance. The next Partnership Action Day will be held in various locations on 18 July.

Shut that window

As the weather gets warmer, residents are being reminded to avoid becoming a victim of crime this summer.

Opportunistic burglaries increase when people are trying to cool their homes so check that all your doors and windows have been closed before you leave the house.

When you're at home – and especially overnight - keep yourself safe by only opening upstairs or inaccessible windows.

Thefts of garden tools also increase in the summer so don't forget to lock your shed or garage. Register your power tools for free at www.immobilise.com. Registering your identifiable property with Immobilise helps to identify the burglars, recover stolen property and prove offences.

i Please contact the Crime Reduction Advisor by email vic.smith@surrey.pnn.police.uk or call **01483 631147** for further advice.

Hazelwood Centre for sport

The Hazelwood Centre is a world class sporting facility operated by Hazelwood Community Company (HCC), a not for profit company based in Croysdale Avenue in Sunbury-on-Thames. Whilst London Irish RFU team are a key tenant and based at the facility, the majority of the operational timetable is used by the community and local sports clubs.

Hazelwood recently launched a 10 year development plan and the emphasis is on providing facilities for the local community with the following aims:

- To develop, conduct, promote, grow and sustain sport
- To provide the facilities for the playing of sport by all regardless of social, economic and ethnic divisions
- To develop, provide and promote community participation
- To promote Hazelwood as a community based facility and actively engage with Spelthorne residents

i If you wish to find out more about what Hazelwood can offer, email admin@hazelwood-centre.co.uk or call **01932 750190**.

Don't wash raw chicken

Campylobacter is the most common cause of food poisoning in the UK. You can't see it, smell it or even taste it on food, but if it affects you, you won't forget it. There are simple things you can do to stay safe:

- cover raw chicken and store it at the bottom of the fridge so it can't drip onto other foods
- don't wash it - washing chicken spreads germs around your sink and taps; cooking it properly will make it safe
- thoroughly wash all utensils, chopping boards and surfaces with hot soapy water and then rinse in clean water or use a dishwasher. Wash your hands thoroughly too
- make sure the chicken is steaming hot all the way through, with no pink meat and the juices run clear
- when barbecuing make sure you don't use the same tongs or dishes for raw meat and cooked food

Spread the word – not the germs.

SURREY

Spelthorne Home Improvement Agency

Are you over 60 or disabled and need help living in your own home in Spelthorne?

We offer advice, support and help to tenants and homeowners within the borough of Spelthorne who are aged over 60 or have disabilities.

We can help you to do the repairs, improvements and adaptations you want in your home. We will guide you through the whole process, helping you with decisions and organising finance, as well as arranging and overseeing the building work.

Typical jobs include:

- level-access showers
- ramps
- stair lifts
- downstairs toilets.

What will it cost me?

The advice we offer is free and you are under no obligation to go ahead with any work. The costs of work can often be paid for by a grant from the council.

A gym with a difference

A new outdoor gym has been installed at Hengrove Park in Ashford providing a range of cardiovascular, strength and toning equipment. Everything is easy to use and there are no membership fees to pay! Some of the equipment can even charge your mobile phone.

 Hengrove Park is located in Station Crescent, Ashford, TW15 3HN.

Creating a buzz

Spelthorne Council has been making improvements to the Borough's parks in a bid to improve the environment for pollinating insects.

Pollinating insects include honey bees, bumblebees, solitary bees, wasps, hoverflies, butterflies, moths and beetles. Since the 1950s, the number and variety of pollinators has been in decline, with many species disappearing from large parts of the country.

Staff and volunteers in Spelthorne have been working to create pollinator-friendly areas by planting 450m of hedgerows, 320m² of wildflowers, 3000 bulbs and 750m of wildflower margins to help reverse the decline in these important insects. More work is planned.

 If you would like to learn more, please contact Steve Price, Countryside and Commons Officer, email s.price@spelthorne.gov.uk or call 01784 446415.

Need help to resolve a noise dispute?

Do you have a noisy neighbour? Have you complained to your neighbour without result? Is someone complaining about you? If so, why not consider using a mediation charity to help get the problem resolved.

Mediation North Surrey can help residents in Spelthorne to work through disputes and stabilise relations with their neighbours without the worry and expense of legal intervention. Over 85% of mediated cases end positively for all involved.

i Contact Mediation North Surrey by emailing help@mediate.me.uk or call **0870 7514311** or **01932 596953**. Visit www.mediate.me.uk

Out of hours noise service

The Council offers an out-of-hours noise contact number which residents can call if they are being badly affected by noise from things such as parties, intruder alarms, pubs and construction sites. The service is available from 5pm to 8am weekdays and 24-hours during weekends and bank holidays.

If your complaint is not deemed urgent, it will be referred to the Council's Environmental Health Department for them to investigate.

i Call the out-of-hours noise contact centre on **01932 425060** or visit www.spelthorne.gov.uk/noiseservice for more information.

An antidote to rising energy prices

With energy bills rising significantly this year, it pays to think about how you power your home. Action Surrey, Spelthorne Council's energy advice service, is set up to advise on which technologies can help cut your energy costs and environmental impact, as well as helping find reliable contractors to install solar panels, insulation and more.

Spelthorne goes electric

Spelthorne Council has installed electric vehicle charge points in two public car parks in Staines-upon-Thames. Six individual fast charging bays have been installed at Elmsleigh multi-storey car park and a dual slow charger which can charge two cars simultaneously at Tothill

multi-storey. The charging bays are free to use* and customers simply download an app to get started.

Some facts about plug-in electric vehicles:

- They are exempt from road tax and the London congestion charge
- They have lower running costs and better performance
- The number on the market is increasing and new models are due for release with longer ranges
- The number registered in Spelthorne is over 100
- There are several government grants available for the purchase of Plug-in vehicles and installing charge points at home and in workplaces – see www.gov.uk
- The number of charging points in Surrey is expanding weekly – visit www.zap-map.com for a map of charging point locations

For more info on electric vehicles please visit www.travelsmartsurrey.info/driving/electric-vehicles

i Visit <https://open.pod-point.com/> or download the Pod Point app from your app store to get started.
