Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The Premises Licence Holder recognises that by extending the opening hours at the restaurant to allow for the sale of hot food and drinks, it has a duty to promote the Licensing Objectives. The systems that are in place are robust, thorough and will, as far as reasonably practicable, secure the promotion of the four licensing objectives.

No alcohol is served at this restaurant.

The Premises Licence Holder will work in partnership with all responsible authorities to ensure the promotion of the four licensing objectives and engage with the local communities to promote a successful relationship between its business operations and its neighbours.

The Premises Licence Holder is part of a group of companies which operates 42 KFC restaurants and which has been operating restaurants for over 30 years. None of the group of companies has been subject to revocation or review proceedings in respect of the Premises Licences and all are of good repute.

b) The prevention of crime and disorder

The Premises Licence Holder is keen to work in partnership with the local police service to prevent crime and disorder.

CCTV

The Premises Licence Holder operates a digital CCTV system to assist the Police with the prevention and detection of crime. The system is compliant with Data Protection Legislation. Appropriate signage reflecting this information is displayed. During licensing hours, there is a member of staff at the premises who is able to show recent CCTV footage to the police on request.

All exits, entries and public areas are covered by the CCTV.

Images are retained on a hard drive system for 28 days.

Access to the CCTV system will be provided to Police Officers at their request.

The CCTV system is checked daily to ensure it is working correctly.

The CCTV is maintained by an external contractor quarterly (or before if necessary).

Security System

Continued from previous page...

A security system with both audio and visual monitoring capability is installed in the restaurant which can be activated by mobile panic buttons. Once activated the system links the restaurant to an external monitoring centre capable of intervening to resolve crime and disorder issues and/or provide the appropriate advice or instruction to support and protect the restaurant's staff and customers. All staff are trained to use this system.

At this restaurant all staff have safety and security training and Conflict Management Training which includes handling those under the influence of alcohol or drugs.

Incidents are recorded on an on-line incident record form which is accessible to every manager and store leader.

Door Staff

The need for door staff is risk assessed, and if the assessment indicates that door staff are a suitable control measure, registered SIA door staff will be on duty as required.

Town Centre Radio

The Premises Licence Holder will have and maintain a town centre radio

☒

c) Public safety

The Premises Licence Holder is keen to work in partnership with the Responsible Authorities to promote public safety.

The Premises Licence Holder has safety systems in place to protect the safety of customers and staff at all times. It complies, as far as reasonably practicable, with relevant Health and Safety, Food Safety and Fire Safety Legislation.

The Premises Licence Holder does not permit lone working after 11pm.

All staff receive comprehensive safety training to ensure that safe working methods are maintained including training on the evacuation procedure in the event of a fire or other dangerous occurrence.

The Premises Licence Holder operates a "No Open Alcohol Containers" policy to prevent persons carrying open alcohol into the in-store area. No glass is allowed on the premises.

d) The prevention of public nuisance

Litter

The Premises Licence Holder carries out litter patrols collecting both KFC's packaging and any other litter that has been carelessly discarded. It is happy to act on recommendations from the Environmental Health Officer on the extent of the patrol, as far as this is reasonably practicable.

A litter check is carried out by Team members and/or /Team leaders outside the restaurant every 30 minutes. The amount of waste in the area is assessed and if required, a litter patrol takes place.

All KFC packaging is branded. Further details regarding KFC's commitment to reducing waste and litter nuisance can be found on the KFC website KFC | Behind the Bucket - Litter

Noise

Where it is practical to do so, the Premises Licence Holder puts measures in place to limit noise. The doors are self-closing and music is played at low volume. Signage is displayed at the restaurant asking customers to leave the premises quietly.

Dispersal

Orders for food stops 15 minutes before closing and customers are reminded of the closing time. If necessary, staff will

Continued from previous page...

encourage customers to leave.

Delivery Drivers

The restaurant uses third party delivery drivers who are reminded not to make too much noise or otherwise cause a nuisance. The delivery company is notified of any concerns with the drivers.

Delivery drivers are encouraged to wait inside the premises. If they are in their vehicles, they are asked to turn their engine off, the music down, park considerately, and to have respect for our neighbours. We do this by communicating with the drivers and the delivery companies.

Delivery drivers usually wait inside the store to collect the orders they are picking up. A couple of tables are generally set aside for the drivers to sit and wait and they are offered drinks and the toilet facilities whilst they wait.

e) The protection of children from harm

The Premises Licence Holder does not permit unaccompanied children under the age of 16 at any time. It does, however, take the safety of children and vulnerable adults very seriously and will ensure that they are protected from harm at all times when visiting the restaurant. KFC has a policy on Safeguarding and Modern Slavery.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
