If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I do not believe policy EC1 is sound because I do not agree with the way the boundary has been drawn around the BP Strategic Employment Area (para 4 and map). I think the boundary should be redrawn as shown in the attached map.

(Continue on a separate sheet /expand box if necessary)

Please note Your representation should be as succinct as possible. If you use a separate sheet/s please clearly label the question number to which it refers.

5a. If you wish to make a separate representation, relating to legal compliance, soundness or the duty to cooperate in relation to the accompanying Sustainability Appraisal (SA), please make them here.

(Continue on a separate sheet /expand box if necessary)

Please note: Your representation should be as succinct as possible. If you use a separate sheet/s please clearly label the question number to which it refers.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 or 5a above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Policy EC1 – paragraph 4 – refer to “BP and land adjacent, Chertsey Road, Sunbury”

The site boundary of BP Strategic Employment site should be redrawn as shown in the attached map.

(Continue on a separate sheet /expand box if necessary)

Please note: Your representation should be as succinct as possible. If you use a separate sheet/s please clearly label the question number to which it refers.

You should provide all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters, issues and questions he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

Please indicate with an ‘X’ as appropriate

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

EXAMPLE

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
