Hi Edward,

There have been 5 representations received in relation to HS1/009 (including Montagu Evans) – one objection, three support and one neutral.

For HS1/002 there have been 4 reps – two objections, two support.

We're currently working our way through the reps in detail so we will be able to provide officer responses in due course.

Kind regards

Hannah

Thanks Hannah

Can you confirm if there have been any representations made in respect of the proposed site allocation please? If so if they are have been submitted in support or objection.

Many thanks
