Submission Type:
O - Objection

Comments:
I object because:
1) green belt land
2) application confirms it is on protected land. No details on how this will be mitigated or how nature lost will be replaced.
3) 80 homes is obscene for that small space.
4) plans for 158 parking spaces. 158 extra cars on that road will cause heavy traffic on an already fast road.
5) no mention of how doctors/dentists or schools will cope with additional people.
