

Spelthorne Borough Council Community Grant Recipients 2025/26

Demand for funding far exceeded the available budget again this year. The grants panel received 37 applications, with funding requests totalling £478,281 exceeding the budget by £245,496. This meaning that there were some very difficult decisions to be made. Of the 37 organisations that submitted applications the Grants Panel recommended either partial or full funding being awarded to 18.
