

Adding text to the checklist

To add text to the checklist you can use the add textbox function (highlighted below) when it is open as a pdf.

Once you have added all of your additional text, save the checklist as a new version and your text will save on your file.

Spelthorne Climate Change SPD 65

CHECKLIST 1: Householder applications/extensions and Applications for 1-2 new dwellings

Adopted Core Strategy Policy	Policy promotes and/or requires:	Measures	Considered in the proposed development scheme?			If YES, identify where in the planning application this information can be found e.g. Plans, supporting reports
			Yes	No	N/A	
ENERGY						
SP7: Climate change and transport	Inclusion of renewables, energy conservation	HE1 Air / ground source heat pump installation HE2 Low-temperature heating (e.g. underfloor) HE3 Building insulation measures HE4 Consideration of building orientation, ventilation, windows and shading for both solar gain and cooling	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Example text...
CC1: Renewable energy	Where development exceeds 100m ² * (e.g. for a complete new home) it is required to: <ul style="list-style-type: none"> Optimise design, layout and orientation to minimise energy usage. At least 10% of the development energy's demand from on-site renewables (unless viability indicates otherwise) 	HE5 Double / triple glazing HE6 Installation of photovoltaic (solar) panels / tiles / 10% of energy demand from on-site renewables e.g. solar panels	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
		HE7 Install smart meter / energy monitoring HE9 Installation of new, energy efficient appliances e.g. boilers, lighting	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
		HE Other, please state	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
			<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
