The Council has made the Order because:

The Council's policy is to promote Tree Preservation Orders to safeguard and ensure the retention of trees, which contribute significantly to the amenities of a locality, when it is expedient to do so. Spelthorne Borough Council will consider whether the Order should be confirmed, that is to say, whether it should take effect formally. Before this decision is made, the people affected by the Order have a right to make objections or other representations about any of the trees, groups of trees or woodlands covered by the Order.

If you would like to make any objections or other comments, please submit details in writing to the address below or email planningdm@spelthorne.gov.uk, to be received by **15 August 2025**.
